WORK EXPERIENCE

FastestLabs

NOV 2023 - Present

Clinical Technician

Canoga Park, CA

- Performed DOT-certified urine, alcohol, saliva, fingernail, hair follicle, and DNA specimen collections.
- Created posts and managed Social Media for Instagram, Facebook, Twitter, LinkedIn, Yelp, and Google Business Pages.
- Handle inbound calls from potential customers looking for testing services and maintain scheduling of appointments.
- Sending and filing reports with clinical labs, medical review officers, and employee representatives.

INVOLVEMENT

Kapwa Kabataan

NOV 2020 - JAN 2022

Mentor

Riverside, CA

- Engaged on the impact of colonial history on mental health within the Filipino community and contributed to a podcast discussing the colonized mindset and mental health.
- Evolved from an intern to a mentor role, leading initiatives to empower API youth, bridge intergenerational gaps, and advance the decolonization of mental health practices.
- Community outreach efforts to raise awareness about mood disorders, emphasizing their correlation with the Philippines' colonial past.
